**LOBBY REGISTRATION AMENDMENT
FORM AREG - INSTRUCTION GUIDE
FOR REGISTERING FOR CALENDAR YEAR 2021**

This guide contains the instructions for the LOBBY REGISTRATION AMENDMENT FORM (Form AREG), which consists of a Cover Sheet and Schedules A, B, and C.

If you are registered as a lobbyist with the Texas Ethics Commission (“Commission”) and any of the information you reported on either your original lobby registration or on a previous registration amendment has changed (other than information requested in Part 3 of Schedule A), you must file a LOBBY REGISTRATION AMENDMENT (Form AREG) that discloses the changed information. The LOBBY REGISTRATION AMENDMENT (Form AREG) must be filed no later than the **10th day** of the month after the month the information changes. If you are a monthly filer, you may report subject matter changes on your next monthly activity report instead of on Form AREG.

CHANGES TO REGISTRATION INFORMATION DURING A REGULAR LEGISLATIVE SESSION.

If you are registered as a lobbyist with the Ethics Commission and any of the information you reported on either your original lobby registration or on a previous registration amendment changes during a regular legislative session, the LOBBY REGISTRATION AMENDMENT (Form AREG) must be filed no later than the **5th day** after the information changes.

There is no fee for filing an amended registration unless your registration status changes on the cover sheet, item number 4.

If you have any questions concerning amendments to your lobby registration or how to complete this form, please call the Commission at (512) 463-5800.

GENERAL INSTRUCTIONS

IMPORTANT UPDATES

On January 1, 2020, the Texas Ethics Commission began adjusting certain reporting thresholds to account for inflation. As directed by section 571.064 of the Texas Election Code, the Commission is required to annually adjust these thresholds upward to the nearest multiple of \$10 in accordance with the percentage increase for the previous year in the Consumer Price Index for Urban Consumers published by the Bureau of Labor Statistics of the United States Department of Labor. Accordingly, one or more thresholds will generally be adjusted each year, depending upon the figures in the index.

These changes will be made effective January 1st of each calendar year; the affected numbers and corresponding new thresholds are located in 1 T.A.C. §18.31, which can be found here: <https://www.ethics.state.tx.us/rules/>. The higher itemization thresholds will be reflected on the paper forms and in these instructions, as applicable.

Please verify that you are using the correct thresholds and forms that apply to your filing. For example, if you are filing a campaign finance report or lobby activities report that is due in January of 2021, you must use the forms and instructions that are applicable to the period ending December 31, 2020.

ELECTRONIC FILING

Lobbyist registration reports and lobby activities reports are required to be filed electronically unless the lobby registrant is eligible to claim an exemption. Please check the Ethics Commission's website at <http://www.ethics.state.tx.us> for information about the Ethics Commission's electronic filing software and for information about exemptions from the electronic filing requirement.

FILLING OUT THE FORMS

All forms must be either typewritten or handwritten in ink.

No need to complete schedules that do not apply. You do not need to complete or file any schedules of this LOBBY REGISTRATION AMENDMENT (Form AREG) that do not apply to your changes.

You must keep an exact copy of each report filed and all records necessary to complete the report for at least four (4) years after the date the report is filed.

PHOTOCOPIES OF FORMS

You may use photocopies of blank Ethics Commission forms. Any form filed with the Ethics Commission, however, must have an original signature.

Note: You should retain copies of all reports filed with the commission.

SUBSTITUTION OF FORMS

If you are filing with the Commission, and you are eligible to claim an exemption to electronic filing, you may use your own computer-generated form if it provides for disclosure of all the information required on the Commission's form and it is *substantially identical* in paper size, color, layout, and format. A substitute form that is substantially identical to the Commission's prescribed form must be submitted for pre-approval by the Commission's executive director.

Effective Date of Amended Registration. A LOBBY REGISTRATION AMENDMENT (Form AREG) must be filed no later than the **10th day** of the month after the month the information changes.

A document is considered "filed" with the Ethics Commission on either:

1. the workday it is hand-delivered, as long as it is received by 5 p.m.; or
2. the date it is mailed, as evidenced by the post office cancellation mark or a receipt mark from a common or contract carrier. The date mark from an office postage meter does not determine the filing date.

Note: When the tenth day of the month falls on a state or federal holiday or a weekend, the deadline is extended to the next business day.

The Ethics Commission is located at 201 East 14th Street, 10th Floor of the Sam Houston Building, Austin, Texas 78701. The mailing address for the Ethics Commission is P. O. Box 12070, Austin, Texas 78711-2070.

COMPLETING THE COVER SHEET

When filing a LOBBY REGISTRATION AMENDMENT (Form AREG), you must complete boxes 1 through 3 of FORM AREG and sign the form at box 13. You should complete other items only as needed to amend information reported on your original registration or a previous amendment.

- 1. Number of Schedules Filed.** Enter the total number of Schedules A and B you are filing. Indicate whether you are filing a Schedule C.
- 2. Registrant Name.** Provide your name as currently listed with the Ethics Commission. If you would like to change the way your name appears in Ethics Commission records, indicate the change in box 6.
- 3. Information Changes.** Check all applicable boxes to show the types of changes you are making to your registration.
- 4. Registration Fee Paid.** Complete this section only if your registration fee status has changed since you filed your initial registration and you are now required to pay a higher registration fee for this calendar year. Check the appropriate box to show your new registration fee status.

For most filers, the annual registration fee is \$750.

The registration fee is \$150 if *all* of your clients are exempt from federal income tax under section 501(c)(3), 501(c)(4), or 501(c)(6) of the Internal Revenue Code of 1986, as well as for any registrant who is employed exclusively by such an organization. To register at this level, *all* of your clients must qualify as exempt from federal income tax under Section 501(c)(3), 501(c)(4), or 501(c)(6), Internal Revenue Code of 1986. If you are selecting this level of registration, you must first verify that at the time of the selection, all of your clients are listed on the IRS website at <http://www.irs.gov/Charities-&-Non-Profits/Exempt-Organizations-Business-Master-File-Extract-EO-BMF> (then scroll down the web page to find the excel files for Texas).

If one or more of your clients are not listed on the IRS website, you must provide for each of the clients not listed, qualifying documentation to the Ethics Commission verifying that the client is exempt from federal income tax under Section 501(c)(3), 501(c)(4), or 501(c)(6), Internal Revenue Code of 1986, before you can register at this level. Submit qualifying documentation to the Ethics Commission in one of the following ways: fax to 512-463-8808, or mail or hand deliver to Texas Ethics Commission, 201 E. 14th St., Sam Houston Building - 10th Floor, Austin, TX 78701.

If you cannot provide such qualifying documentation for clients not listed on the above IRS website, then you are subject to the \$750 registration fee.

- 4a. Amount Enclosed.** Enter the additional registration fee amount included with this Form AREG as a result of your change in status.
- 5. (Changed) Reporting Schedule.** If you wish to change to a different schedule for filing LOBBY ACTIVITIES REPORTS (Form LA), check the box indicating your **new** reporting type.

Switching to Regular (Monthly) Reporting: If you registered as a modified (annual) filer but are changing to monthly filing, your first activities report will be due by the 10th day of the month after the month in which you file the amendment. Your first monthly report must report activities from January 1 through the last day of the month in which you filed the amendment.

Note: If you register for modified (annual) filing but exceed the \$2,020 expenditure threshold during the calendar year, you must change to monthly filing. Your first monthly report will be due by the 10th day of the month following the month in which you exceeded the \$2,020 threshold and must cover activities occurring during the period from January 1 through the last day of the month in which you exceeded \$2,020 in lobby expenditures.

Switching to Modified (Annual) Reporting: If you are a regular (monthly) filer but do not intend to exceed the \$2,020 expenditure threshold and are therefore eligible for modified reporting, you may change your reporting type by filing a LOBBY REGISTRATION AMENDMENT (Form AREG). After the amendment is filed, you will no longer be required to file monthly activities reports. You will file one report covering the entire calendar year in which your registration was effective. Your annual activities report for lobby activities from January 1 through December 31 will be due no later than January 10 of the following year. *In this annual report, you will include any activity you previously reported on your monthly activities report(s).*

If you are using the paper form, fill this section out by hand after you finish the rest of this report. You have the option to either: (1) take the completed form to a notary public where you will sign above the first line that says “Signature of Registrant” (an electronic signature is not acceptable) and your signature will be notarized, or (2) sign above both lines that say either “Signature of Registrant” or “Signature of Registrant (Declarant)” (an electronic signature is not acceptable), and fill out the unsworn declaration section.

If the registrant is an entity, the person who signs the amendment must be a person whose actions legally bind the entity (such as the owner, an officer, or a director). The person who signs the report must also affirm that, to the best of the person’s knowledge, the person has complied with section 305.028, Government Code, by reporting conflicts of interest to the Ethics Commission.

Section 305.028 provides as follows:

(a) In this section:

(1) “Client” means a person or entity for which the registrant is registered or is required to be registered.

- (2) “Matter” means the subject matters for which a registrant has been reimbursed, retained, or employed by a client to communicate directly with a member of the legislative or executive branch.
 - (3) “Person associated with the registrant” or “other associated person” means a partner or other person professionally associated with the registrant through a common business entity, other than a client, that reimburses, retains, or employs the registrant.
- (b) Except as permitted by Subsection (c) or (c-1), a registrant may not represent a client in communicating directly with a member of the legislative or executive branch to influence a legislative subject matter or an administrative action if the representation of that client:
- (1) involves a substantially related matter in which that client’s interests are materially and directly adverse to the interests of:
 - (A) another client of the registrant;
 - (B) an employer or concern employing the registrant; or
 - (C) another client of a person associated with the registrant; or
 - (2) reasonably appears to be adversely limited by:
 - (A) the registrant’s, the employer’s or concern’s, or the other associated person’s responsibilities to another client; or
 - (B) the registrant’s, employer’s or concern’s own interests, or other associated person’s own business interests
- (c) A registrant may represent a client in the circumstances described in Subsection (b) if:
- (1) the registrant reasonably believes the representation of each client will not be materially affected;
 - (2) not later than the second business day after the date the registrant becomes aware of a conflict described by Subsection (b), the registrant provides written notice, in the manner required by the commission, to each affected client; and
 - (3) not later than the 10th day after the date the registrant becomes aware of a conflict described by Subsection (b), the registrant files with the commission a statement that:
 - (A) indicates that there is a conflict;
 - (B) states that the registrant has notified each affected client as required by Subdivision (2); and
 - (C) states the name and address of each affected client.

- (c-1) A registrant may represent a client in the circumstances described in Subsection (b) without regard to whether the registrant reasonably believes the representation of each client will be materially affected if:
- (1) the registrant provides the written notice to each affected client as described by Subsection (c)(2) and files the statement described by Subsection (c)(3); and
 - (2) after the registrant has provided the written notice described by Subsection (c)(2), each affected client of the registrant consents to the conflict and grants the registrant permission to continue the representation.
- (d) If a registrant has accepted representation in conflict with the restrictions of this section, or if multiple representation properly accepted becomes improper under this section, the registrant shall promptly withdraw from one or more representations to the extent necessary for any remaining representation not to be in conflict with this section.
- (e) If a registrant would be prohibited by this section from engaging in particular conduct, an employer or concern employing the registrant or a partner or other person associated with the registrant may not engage in that conduct.
- (f) In each report filed with the commission, a registrant shall, under oath, affirm that the registrant has, to the best of the registrant's knowledge, complied with this section.
- (g) The commission may receive complaints regarding a violation of this section. If the commission determines a violation of this section has occurred, the commission, after notice and hearing:
- (1) shall impose a civil penalty in an amount not to exceed \$2,000; and
 - (2) may rescind the person's registration and may prohibit the person from registering with the commission for a period not to exceed two years from the date of the rescission of the person's registration.
- (h) A penalty under this section is in addition to any other enforcement, criminal, or civil action that the commission or another person may take under this chapter or other law.
- Subsection (i) repealed by Acts 2005, 79th Leg., R.S., H.B. 2202, § 3, eff. Sept. 1, 2005.
- (j) A statement filed under Subsection (c) is not public information.
- (k) The commission may adopt rules to implement this section consistent with this chapter, the Texas Disciplinary Rules of Professional Conduct, and the common law of agency.

If the \$150 registration fee was selected, the person who signs this report must also affirm that, to the best of the person's knowledge, the person has listed only employers/clients that qualify as exempt from federal income tax under Section 501(c)(3), 501(c)(4), or 501(c)(6), Internal Revenue Code of 1986, and, for any employer/client not listed on the IRS website at <http://www.irs.gov/Charities-&-Non-Profits/Exempt-Organizations-Business-Master-File-Extract-EO-BMF>, the person has provided for each client not listed, qualifying documentation to

the Ethics Commission verifying that the client is exempt from federal income tax under Section 501(c)(3), 501(c)(4), or 501(c)(6), Internal Revenue Code of 1986.

Changes in Information. *If any of the information provided in this registration changes (other than information requested on Part 3(a) or 3(b) of Schedule A), you must file a Lobby Registration Amendment (Form AREG) showing the changed information by the 10th day of the month following the month the information changed. If you are a monthly filer, you may report subject matter changes on your next monthly activity report instead of on Form AREG. If the change occurs during a regular legislative session, you must file Form AREG showing the changed information by the 5th day after the information changed.*

SCHEDULE A: EMPLOYER/CLIENT

Complete Schedule A to report information about a new employer/client or to change information about an existing employer/client. If you wish to delete an employer/client previously listed on your registration, use Schedule C.

***Note:** You must complete a separate Schedule A for each person that reimburses, retain, or employs you to influence legislation or administrative action and on whose behalf you have engaged in lobby communications.*

If you are employed by a business entity engaged in the representation of clients for the purpose of influencing legislation or administrative action, you must complete a Schedule A for each of the entity's clients for which you lobby. You must also complete a Schedule A for the entity itself if the entity reimburses, retains, or employs you to lobby on behalf of the entity itself.

PART 1 - GENERAL INFORMATION

- 1. Total pages this Schedule A.** Once you complete a Schedule A in regard to a particular employer/client, count the total number of pages of that Schedule A and write the total in this box. (Each side you complete counts as a page.)
- 2. Registrant Name.** Print your name as listed on your registration.
- 3. Employer/Client Name.** Print the name of the person covered by this Schedule A. Remember that you must complete a separate Schedule A for each person that employs you to lobby. If you are employed by a business entity engaged in the representation of clients for the purpose of influencing legislation or administrative action, you must complete a Schedule A for each of the entity's clients for which you lobby. You must also complete a Schedule A for the entity itself if the entity reimburses, retains, or employs you to lobby on behalf of the entity itself.
- 4. Reason for Amendment.** Indicate whether you are completing this Schedule A to report information about a new employer/client or to change information about an existing employer/client. If you are changing information about an existing employer/client, you should provide only the information necessary to report the changes.
- 5. (Changed) Employer/Client Name.** If the name of an employer/client previously reported has changed, show the changed name here. (In box 3 of this section report the name as previously reported.)
- 6. Employer/Client Mailing Address.** Provide the mailing address of the person covered by this Schedule A.

PART 2 - COMPENSATION

- 1. Level of Compensation for Lobbying.** You may report compensation and reimbursement **either** in one of the stated categories **or** as an exact amount. If the compensation and reimbursement amount exceeds \$1,010,880 you must enter the exact amount.

You must report compensation and/or reimbursement that you receive or are entitled to receive under an agreement under which you are retained or employed.

If you are compensated and/or reimbursed for both lobbying and non-lobbying services, you must make a reasonable allocation of your compensation and/or reimbursement and report only the amount received for lobbying.

If you are employed, reimbursed, or retained by a business entity that receives compensation and/or reimbursement for lobby activities you are required to report all compensation and/or reimbursement paid to the entity for your lobby activities. (See “**Individual Reporting for Entity**” below if you are reporting compensation and/or reimbursement paid to the entity for lobby activities by persons other than yourself.)

- 2. Type of Compensation Being Reported.** Indicate whether the compensation and/or reimbursement being reported is “**PAID,**” “**EARNED,**” or “**PROSPECTIVE.**” Check only one box.

Paid. Check this box if you are reporting only compensation that has actually been received at the time of registration.

Earned (but not received). Check this box if you are reporting compensation that has been received and also compensation that has been earned but not yet received.

Prospective. Check this box if you are reporting compensation that has been paid, compensation earned (but not received), and also compensation that you anticipate will be received or earned by terms of a contract or written agreement.

Note: You must always report compensation that has been paid to you. The “**EARNED (but not received)**” and “**PROSPECTIVE**” options permit you to also include compensation that you expect to receive by terms of a contract or other agreement and thereby avoid the necessity of filing an amended registration when you actually receive such compensation.

- 3. Individual Reporting Compensation and/or Reimbursement for Entity.** Check “**YES**” if you are reporting compensation and/or reimbursement on this Schedule A at the request of an entity that has chosen not to register pursuant to Ethics Commission Rule 34.45. If you check “**YES,**” provide the name, address, and phone number of the entity.
